#### HONORING HANNAH WARFIELD AND JENNY BARRINGER

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Colorado (Mr. PERLMUTTER) is recognized for 5 minutes.

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize two members of one of my Colorado offices, Hannah Warfield and Jenny Barringer. These two are world-class athletes from my alma mater, the University of Colorado. They recently competed in the U.S. Olympic track and field trials in Eugene, Oregon; and in Jenny's case, the 2008 Olympics in Beijing.

I want to start off by saying a few words about Hannah, a native of Sydney, Montana, who competed in the women's javelin competition. Her work ethic is extraordinary; and despite the rigors of working a full-time job and recently graduating from the University of Colorado, she maintains a training schedule which begins at 5 a.m. in the morning and would humble even the most dedicated among us.

This work ethic propelled her to become the 2007 NCAA Women's Big 12 Champion in the javelin event, a distinction not achieved by a University of Colorado athlete in 20 years.

She is one of the most pleasant, organized and courteous individuals I have

ever had the opportunity to meet. And although Hannah came just short of making it to Beijing, words cannot express the amount of pride and inspiration she brought to our office and our community with her dedication to the pursuit of her dreams. Hannah's positive attitude and tenacity should serve as an inspiration to all of us.

Next, I would like to take a moment to speak about Jenny Barringer from Oviedo, Florida, who competed in the women's 3,000 meter steeplechase event. Jenny is a true pioneer in the sport which made its inaugural appearance at the 2008 games.

Prior to the Olympics, she shattered the American record in the women's steeplechase with a time of 9:22:73. If that were not enough, she maintains a 3.7 GPA, serves as a sign language interpreter, volunteers with the Ronald McDonald House, Habitat for Humanity, and the local adopt-a-road program.

I can attest that Coloradoans watched her with excitement and anticipation as Jenny made her Olympic debut and competed in the Beijing games where she once again made history by breaking her own American record with a time of 9:22:26. This was a 9th place finish in the world. Jenny made our community and Nation proud.

But what impresses me most about Hannah and Jenny is that for as great as their athletic ability, they are even better people. Active in their communities, great students, combined with a desire to go above and beyond what is expected, they serve as a positive example of what can be achieved with hard work and a positive attitude.

As a father of three young women myself, all of whom are athletes, I can attest Hannah and Jenny represent the pride and hope every parent feels when they drop their own daughters off at an athletic practice.

It is an amazing honor to see two of our own in Colorado rise to this level, especially knowing it could not have happened to two better people. Hannah Warfield and Jenny Barringer embody the best our country could hope for in the next generation of Americans, and I am privileged for the opportunity to have come to know these two remarkable individuals.

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from North Carolina (Mr. JONES) is recognized for 5 minutes.

(Mr. JONES addressed the House. His remarks will appear hereafter in the Extensions of Remarks.)
